

# HOW TO CHOOSE A PAYMENT PROCESSOR

Make Sure They...

## ENSURE SECURE ONLINE PAYMENTS

Not all processors offer highly secure gateways, fraud protection, and compliance requirements to keep you safe.

## OFFER THE BEST PRICING OPTIONS

All businesses are Unique. Make sure your pricing is accurate and fair for your industry. No increases.

## DON'T HIDE FEES

No padded Interchange, Assessments, Annual Fees, Debit access fees without Pin Debit, Services you are not using, and more.

## PROVIDE A NO-PAY ESCAPE CLAUSE

Most Processors have a contract with steep cancellation fees.

## ARE EASILY ACCESSIBLE

Don't spend all day on the phone with customer service talking to a robot.
